

Bumblebee Class Newsletter!

What an amazing term we have had in Bumblebee Class! We have all settled in brilliantly, had lots of fun and it's lovely to see everyone's smiley faces! We have all learnt lots of sounds this term. Remember to keep practising them and maybe start to blend them together in simple words. All the sounds we have learnt will be on Seesaw.

We are getting very clever with our numbers and have enjoyed counting and singing lots of counting rhymes.

Please remember PE is on a Tuesday. So please make sure that you are wearing your PE kit and are not wearing earrings.

Next term we will be focusing on different celebrations and some of Mrs Cope's favourite books... Our key vocabulary will be *Fireworks, Diwali, Remembrance, Christmas, Nativity, celebrate, birthday.*

*Have a lovely half term.
See you on 2nd November.
Mrs Cope, Miss Daniels
and Miss Hickman xx*

Reading...
Please make sure you are reading with your child at least 3 times a week and make sure you record it in the green contact book. We will only change their reading books on a Monday or a Thursday if it's been recorded that they've read at least 3 times on 3 different days. Please chat about the pages together and what you can see in the pictures. Help your children to recognise the sounds they know and start to sound out the words and blend them together.

Birthdays...
This term we have celebrated Miss Daniels and Miss Hickman's birthdays! We decided they were either 11 or 85!! We hope that that they both had a lovely day!
