Personal, Social and Emotional Development

Jigsaw – Celebrating Difference.

L.O: To discuss that we are all different but we are all special. To talk about the things we are good at. To discuss how our families, homes and our friends and all different and all special.

This term we will be looking at how we are all different because we like different things and we are good at different things. That our families, homes and friends are different, but that being different is okay and it makes us all special.

Communication and Language

L.O: To listen to stories and share ideas and thoughts with others, expanding vocabulary as they talk about stories and events.

This term we will be talking about events such as Diwali, Fireworks, Remembrance and Christmas. We will also be sharing our favourite stories and talking about why we enjoy them. We will recall what we have learnt and talk about the different activities we have participated in during Discovery Time.

Physical Development

L.O: To develop fine and gross motor skills. To develop good control when holding pens and pencils. To combine different movements with ease and fluency.

This term we will continue to explore the Early Years Garden to develop our motor skills. We will also participate in threading, construction and cutting as well as writing our names and other sounds we have learnt.

In our PE lesson we will be focussing on dance, combining different movements and moving to music.

Literacy

L.O: To learn the Phase 2 ELS sounds.
To use the sounds to record initial, final and middle sounds in words.

This term we will recap the sounds we have already learnt and learn the rest of the Phase 2 sounds. We will also be using the sounds we have learnt in our reading and writing. We will start by hearing the initial sounds in words and progress onto reading and recording simple cvc words.

Mathematics

L.O: To count objects, actions and sounds. To subitise and compare numbers. To select, rotate and manipulate shapes to develop spatial reasoning skills.

This term we will be focussing on numbers to 5, we will be looking at the composition of numbers. We will be focussing subitising so that we are able to say a number quickly without counting.

We will also be looking at 2d shapes, working out which shapes we can see around us and the properties of those shapes.

Understanding the World

L.O: To find out about different celebrations and why and how we celebrate.
To talk about the world around us.

This term we will be talking about different events and celebrations, we will be discussing how we celebrate and how we might celebrate differently to others.

We will also be discussing the world around us and the changes that happen during autumn and then winter.

Expressive Arts and Design

L.O: To develop different skills when creating art work. To listen attentively, move to and talk about music, expressing their feelings.

This term we will be developing different skills using paint, paper craft and scissor skills.

During music they will be learning different skills, listening to different types of music and talking about how the music makes them feel.
